P.O. BOX 128  
ELGIN, OREGON 97827

BUS. 503-437-9771  
EMERGENCY 503-437-2111

Sir;

My name is Dennis Parr and I am Chief of Police of a small town in Eastern Oregon, Elgin, the reason I am writing is to request some funding for the training of a drug sniffing dog. This dog would be made available within a four county area and would be used for checking out schools or any other suspected area..

Like everyother police department we are faced with ever increasing budget cuts and a growing drug problem within our city and county. I see the problem becoming larger each month. I realize the area and the amount of people I am concerned with is small compared to your concerns, but I work with these people on a day to day basis, I know the children and I know somthing needs to be done to curb the availabilty of drugs.

I fully support the presidents war on drugs. This department has always worked hard at stopping the flow of drugs, in March of 1985 we were instrumental in the largest drug bust in eleven western states.

Please inform me as to your decision for this request.

Sincerely;

A handwritten signature in cursive script that reads "Dennis L. Parr". The signature is written in dark ink and is positioned above the printed name.
